

ROCKVILLE, MARYLAND- SCRIBE ARTICLE  
MARCH 2018 POSTAL RECORD

We just received our annual 1099 from Eagan, MN for the total payout to our branch due to repetitive violations of the contract. For 2017 the 1099 states that NALC Branch 3825 was paid \$190,490! The 1099 for 2016 was \$288,370 and for 2015 the 1099 was \$99,400. That's \$578,260 paid to our branch over the last three years simply because management violates the same issues over and over and over again. And, accompanying these payouts to our branch, millions and millions were paid to our members. We are seeing some effort to comply with our agreed to policies, but there are still too many repeat violations occurring.

In Frederick, we just added up the most recent article 8 section 5G settlements. Incredibly, more than \$151,000 was paid out. This was on top of more than \$400,000 already signed off in the city of Frederick. Why upper management does not hire more Carriers there is beyond me. Probably due to the fact that there is little or no accountability within the USPS. It would be so cost effective to hire in Frederick. We are going to stop the mandatory overtime, even if we have to escalate the remedies through the ceiling! The NON-ODL's are receiving an additional 200 percent for each hour of violation and the ODL's are being paid overtime or penalty pay as applicable.
